EDITORIAL

The next issue of the European Bulletin of Himalayan Research, vol. 12, will be devoted to ethnomusicology. Contributions are welcome.

We are planning to devote issue no. 13 to photography. Scholars who use this tool in their research are invited to send us a contribution explaining their methodology, in their field (geography, history, ethology, technology, etc.). Papers should be sent before September 1997.

We also wish to remind our readers that recent PhD graduates from Europe are invited to send us an abstract of their dissertation.
