Autumn 2009-Spring 2010

EBHR
EUROPEAN BULLETIN
OF HIMALAYAN RESEARCH

Special double issue: Nepalese migrations
The European Bulletin of Himalayan Research (EBHR) was founded by the late Richard Burghart in 1991 and has appeared twice yearly ever since. It is the result of a partnership between France (CNRS), Germany (South Asia Institute) and the UK (SOAS) and is edited according to a rota system. Since January 2006 the French editorship has been run as a joint effort, currently including Pascale Dollfus, András Höfer, Marie Lecomte-Tilouine, Boyd Michailowsky, Philippe Ramirez, Blandine Ripert, and Anne de Sales. We take the Himalayas to mean, the Karakoram, Hindukush, Ladakh, southern Tibet, Kashmir, north-west India, Nepal, Sikkim, Bhutan and northeast India. The subjects we cover range from geography and economics to anthropology, sociology, philology, history, art history, and the history of religions. In addition to academic articles, we publish book reviews, reports on research projects, information on Himalayan archives, news of forthcoming conferences, and funding opportunities. The manuscripts submitted are subject to a process of peer-review.

Address for correspondence and submissions:
EBHR, Michael Hutt
School of Oriental and African Studies
Thornhaugh Street, Russell Square, London WC1H 0XG, U.K.
