INFORMATION FOR AUTHORS

Proposals and manuscripts should be sent to the Managing Editor, Michael Hutt (mh8@soas.ac.uk) via email. All articles submitted are subject to a process of peer review. Book reviews should be sent to the book reviews editor, Mark Turin (mt10003@cam.ac.uk). Similarly, Mark Turin may be contacted about books for review and will advise where they should be sent.

Articles should be written in English and should not exceed 10,000 words in length, including footnotes and references. When preparing your manuscript for submission to the EBHR, please observe the following conventions.

Spelling and punctuation
Use British English spellings, e.g. ‘colour’, ‘supervised’.

Use single quotation marks throughout, except for quotes within quotes, which should take double quotation marks. Do not use scare quotes.

Reported speech and quotes from written sources should be given in plain text within single quotation marks. Quotations extending to more than 40 words should be in a separate indented paragraph.

The titles of books and the names of newspapers and journals should be given in italics with initial capitals.

References should not be given in footnotes, which should be used sparingly to provide supplementary information.

Diacritical marks may be employed for the transliteration of terms from Himalayan languages, but should be used correctly and consistently. Personal and place names should not take diacritical marks.

References
References in the body of the text should use the Harvard system, e.g. ‘(Hacchethu 1997: 17)’ with a space after the colon and no comma between author and date; where there is more than one reference listed, put commas between them, not semi-colons.

When listing references at the end of articles, give the surname of the author followed by initials, e.g. ‘Malla, K.P.’ not ‘Malla, Kamal Prakash’. Give the main title of a book with capital letters, but use lower case in the sub-title after an initial capital. Use lower case after an initial capital for the title of an article or book chapter.

References should be given as follows:

[Monographs]

[Chapters in books]

[Journal articles]
